Memo.

Petition No. 2141 dated 21st February 1900 from Thammiah, manager of the Jangam Matt at Bellur, Nagamangala Taluk, appealing against an order passed by the Deputy Commissioner of Mysore District directing the petitioner to redeem, within 6 months, the Matt's Inam lands unauthorizedly mortgaged by his father to one Tiruvenkatachar in 1879 and that, in default, the Inam lands will be resumed and fully assessed and confirmed in the possession of the alienee.

And,

Correspondence ending with Mysore Deputy Commissioners Docket 20 -- dated 24th December 1898, submitting the records relating to the above.

The facts of the case briefly are:

The

(9)

The marginally noted Inam lands granted for the support of the Jangam matt at Bellur were mortgaged in 1879 by Kari Basaviah who was then the presiding Priest of the Matt, to one Venkatachar of Channapatna for a sum of Rs 840.

2. In the year 1896 one Venkatadasappa Shanbhogue of the village and Thammiah son of the aforesaid mortgagor Kari Basaviah severally submitted petitions to the Inam Superintendent and the Deputy Commissioner stating that the lands in question are devadaya Inams granted to the Matt, and praying that they may be resumed from the possession of the mortgagees and restored to the Matt. The petitions were referred to the Sub Division Officer of French Rocks for enquiry and report. In the enquiry held by that Officer, Sreerangachar son of the original mortgagee and the present holder of the lands, pleaded that at the time the lands were mortgaged to his father – which was previous to the Inam Settlement – they were regarded as Personal Inam and that it would be very hard if they should now be called upon to give up the lands, without

repayment of the loan advanced in
good faith by his father.

3 The Sub Division Officer, in
submitting the records for the orders of
the Deputy Commissioner states as
follows:—

The present Dyah of the Jangam
Matt, Thammiah, has himself
attested the mortgage deed
executed by his father and he
must therefore be considered
as a consenting party to the
alienation. I do not think
that he should be permitted
now to repudiate the transaction
and to profit by the fact that
the Inam was treated as Devadaya
in the Inam Settlement. The loan
was granted in good faith and
on the understanding that the
Inam was personal. The conduct
of Thammiah (the petitioner) and
his father led the creditors to
believe that it was a Personal Inam
The alienation has lasted now
for 18 years. I would not therefore
summarily resume the land
and restore it to the Matt

"Personal and the mortgagee
"has lent a large sum prior
"to the Inam Settlement, the Inam
"should be resumed and fully
"assessed, and a money grant
"equal to the assessment made
"to the temple. The present
"case is similar to the above
"in all particulars. The present
"Jangamiah of the Matt has
"kept the Matt in good order. I
"am of opinion that if he is not
"able to redeem the Inam wet
"land no 338, the Inam should be
"resumed and that the full assess-
"-ment of Rs 16 should be made
"over to the Matt as Ready Money Grant."

Deputy Commissioner, Concurring
iew taken by the Sub Division Officer
d that,

"the mortgagor may be given

(5)

"six months' time to redeem
" the mortgage, and if he fails
" to do so, within the said period
" the Inam may, as proposed by
" the Sub Division Officer, be
" resumed and fully assessed,
" and a money grant equal to
" the assessment made to the Matt
" so long as the Conditions of the"
" grant are fulfilled."

5 Thanniah has now appealed to Government against the foregoing decision of the deputy Commissioner and prays that the lands in question may be resumed from the possession of the mortgagee and restored to the Matt, principally on the grounds, that, the lands, being Devadaya Inam granted for the support of the Matt, their alienation is opposed to the late Chief Commissioner's Notification of the 17th November 1877 and that he (the petitioner) was himself no party to the mortgage.

Note:- The records relating to Anniahs case cited by the Sub Division Officer are put up herewith. But the facts

(6)

of that case and of the present case are not similar; in Anniah's case, the lands alienated were according to the original 'Sannad' Personal Inam; and the alienation took place long before the grant was settled by the Inam department as 'Devadaya' Inam with reference to certain old accounts; whereas, in the present case, the grant is even according to the original Sannad "Jangam Mánya" – i.e, 'Devadaya Grant' – and not a Personal Inam as alleged by the alienee.

The question has therefore to be dealt with entirely in accordance with the Rules laid down in the late Chief Commissioner's Notification of 17th November 1877.

The annexation cannot on principle be upheld and it must under the Standing Order be reversed –

that the Jangam
has evidently been a party
to the alienation and
to the receipt of the mortg
money. He will be liable
if in the name of the Mutt
he is allowed to retain the
loan as also the mortgage
money. The Dy Commr should
ascertain whether this Jangam
should not be deprived of
his right to the Mutt for his
wrong act of alienating
the Mutt loan and another
competent Jangam appointed
in his place. & such re-
-ception may be given to the
other lands. The mortgagee is
left to have his remedy
against Tammayya the Jangam
who was a party to the mortgage
and who will be deprived
of the Mutt.

Note continued:-

The Dewan's orders endorsed
above were issued in Govt. P. No 934 dated

(8)

19th February 1901, and the Dy Commr was requested to report whether Thanniah should not be altogether deprived of his right to the matt for his wrongful act and another appointed in his place, such succession being placed in possession of the matt's lands. With refce to this, the Dy Commr reported (1) that the appointment of a Jangam to a matt vested with the disciples of that matt and that Thanmaiya had died and that his son if nominated by the disciples as his (Thanmaiya's) successor may be recognized by Govt & the management of the matt lands made over to him subject to the supervision of the Amildar.

(1) His letter No 278 Dy 1st April 1903

Upon certain further inqs being called for in this Office Docket No 3144 Dy 30th July 1903, the Dy Commr reports that the Jnana

Inam lands of the matt have been resumed by Govt. and leased out on "Ekasal", i.e, single year's tenure and that the amount of Rs 255-4-1 realized from the produce of the lands is now at the credit of the matt. He states that the Amildar has been directed to elect a successor to the matt in consultation with the disciples of the matt and that a further report will be submitted to Govt. soon after its receipt.

Note continued

The Dy Comr, in his present communication no 23 dated 25th July 1904, recommends the succession of Basawiah, the eldest son of the deceased Jangamiah, and the restoration of the Inam lands to him, provided he furnishes proper surety that he would keep accounts and feed people and otherwise keep the matt in good condition.

H'ble Secretary's remarks:-

The succession as recommended by the Deputy Commissioner may be approved, but the lands which were dealt with irregularly by the former

Jangamiah and which have now come under the management of Government, need not, in my restored. humble opinion, be ~~disturbed~~.

The Deputy Commissioner may be requested to report if the Matt has got any other properties either in land or in cash and on receipt of that information it may be considered whether it is necessary to give any portion of the income from the lands now in question to the Jangamiah.

(3) That the order, dt 5-10-70 of the Sub-Dn. officer giving over the Inam lands once resumed from the mortgagee after a lapse of 3 or 4 months on the complaint of Venkata -Dasapa, is erroneous-

(4) That under the circumstances of the unauthorized alienation of the Inam, 19 years Kandayam

3/

Kandayam should be recovered from the present holders & credited to the Mutt funds-

(5) That the opinion entertained by the Sub-Div. officer, that the transaction was effected ignorantly by the parties, is incorrect, as both the mortgagor & the mortgagee lived till very recently i.e 4 or 6 years previous to the present Cause of action-

(6) That owing to some misunderstanding between the petitioner, & his deceased father, who lived with his 2nd wife in Chamalapuram after division of property the petitioner is not liable to repay the debt contracted by his father according to Hindu Law-

(7) That the omission of the mortgagee, to introduce measures to recover the loan

granted by them to the petitioners father even tho after they were given to understand at the time of settlement, that the mortgaged property was a Devadasya Inam, is sufficient to them of their holding -

From

The Subdivision Officer

To The Deputy Commissioner
Mysore District.

Sir.

With reference to your Kanaree yadi No: 1793 dated 16/19th May 1896 forwarding for disposal petition under dated 30th April 1896 from Venkatta Dasappa of Bellur in the Nagamangala Taluk to the address of the Superintendent of Gnams complaining that the Gnam land of the Jangam Mutt of Bellur is being enjoyed by third parties and that the same might be resumed and restored to the institution to which it was originally assigned, I have the

honor to report as follows :—

In the year 1822 His Highness the late Maha Raja Krishna Raja Wadiyar granted the marginally noted lands to one Channa Basava Vadiga of Bellur as Inugam manya. The pari accounts of 1831 bear this out. In the accounts of 1855 the lands are shewn to stand in the name of Kari Basaviah, son of Channa Basava Vadiga. During the Inam settlement which took place in 1880, the lands were treated as Devadayam Inam lands and after the survey settlement a Kasar Jodi of Rs 2-4-0 was imposed on the lands shewn below.

Dry Rs 4 - 4 - 0 ½ 12 - 0 - 0

3 Previous to the Inam settlement Kuritavaiah and his sons Malle-Deva Rao and Thimmiah appear

themselves and to have enjoyed them separately. Malle Devarod and Thammiah mortgaged their Share in the wet land to one Gangadhara-Setty for Rs 300 and 155. on 27th April and 25th June 1876 respectively; and Kari Basawiah mortgaged his portion of the wetland to one Honniah for Rs 250 on 16th april 1877. They subsequently redeemed them. Karibasawiah again on 18th Oct 1879 mortgaged the whole of the wet land and also 9 Kolagas of dry Gnam land to Tira Venkata Char and Gangiah for Rs 84. Thammiah, son of Karibasawiah and Eramma a wife of Channahalle Devaru (deceased) son of Kari-Basawiah and Honniah son of Gangadhara Setty have attested the mortgage deed as witnesses. The mortgage deeds are all duly registered under the Registration

act and the lands are shewn in them as personal Inam lands.

4 The accounts prepared in the Taluk in 1878 for the Inam settlement, shew that the lands were in the enjoyment of one Honniah for the previous 2 years. Thanniah the present Jangamiah of the Bellur Mutt admits having once mortgaged the wet land in dispute to Ganga-Dhara setty on the understanding that it was a personal Inam and states that the facts of its being a Devadayam Inam came to his knowledge after Venkata Dasappa files his Complaint in 1896; that he redeemed the mortgage of 1876 in a short time; that he was not aware of the mortgage made by his deceased father Nanibasawiah as he was in bad terms with him; that the mortgage of Devadayam Inam being bad in law and practice the

be restored to the mutt unencumbered with debts.

5 My predecessor Mr Panchamatha Rao held an enquiry into the subject matter of the complaint and finding wet land No: 338 of The Bellur village to be a Devadayam Inam and the Jangamiah of the mutt unauthorisedly mortgaged it to Tira Venkatachar and Gangiah, ordered the amildar of the Nagamangala Taluk on 19th August 1896 to take back the Inam land in question from the mortgagee and keep it under Govt Management pending referring the present holders, Sree Rangachar and Honniah, to civil courts for redress. They however refused to cede possession of the land and Mr Raghavachar, advocate for Sree Rangachar, presented a protest/petition

6 I have looked into the records and heard both parties. Mr Raghava-char argues that Karibasawiah and his sons mortgaged the wet Inam land in question to one Gangadhara Setty and Honniah in 1876 & 1877, and that Karibasawiah in order to redeem the said mortgage and also to satisfy the Government dues on his Kandayam lands borrowed Rs 240 from the deceased Sira Venkata-Char, brother of the present possessor Sree Rangachar and the deceased Rangiah, father of Honniah, and mortgaged the above wet land and also a Kolaga. of dry land in 1879 previous to the Inam settlement of 1880 under the impression that the Inam granted to his father

that his client's ancestor took a large sum of money on the mortgaged lands in good faith; that it would be hard to deprive his client of the possession of the land without repayment of the mortgage money and that the land may be fully assessed.

7 The present Iyah of the Jaffna math, Kanniah, has himself attested the mortgage deed executed by his father. He must therefore be considered as a consenting party to the alienation. I do not think that he should be permitted now to repudiate the transaction and to profit by the fact that the Inam was treated as Devadayam in the Inam settlement. The loan was granted in good faith and on the understanding that the Inam was personal. The conduct of Kanniah and his father led the creditors to believe that it was a personal Inam.

The alienation has lasted now for 18 years. I would not therefore summarily resume the land and restore it to the mutt.

8 The Government on 15th Dec. 1892 in Case No: 14 of 1891 appellant B. M. Anniya, Abdullacha and on 27th Dec. 1892 on petition of Muniyakka No: 373 of 1889 have decided that as the Jaunds treat the Inam as personal and the mortgagee has lent a large sum prior to the Inam settlement, the Inam should be resumed and fully assessed, and a money grant equal to the assessment made to the temple

9 The present case is similar to the above in all particulars. The present Jangamaiah of the mutt has kept the mutt in good order. I am of opinion that if he not able to redeem the Inam land area 338 the Inam should be resumed and that the full assessment of Rs 16 should be made over to the mutt as ready money grant

10 The Vernacular papers on the subject are herewith submitted for reference.

I have &c.

Sub Division Officer in the case is correct and in this view is supported by the Marginally noted Government decisions cited by him.

The mortgagor may be given six months time to redeem the mortgage and if he fails to do so within the said period, the sale may as proposed by the Sub Division Officer be effected and fully assessed and a money grant assessed, etc. and a money grant equal to the assessment made to the Ryot so long as the conditions of the grant are fulfilled.

Petition No. 2141, dated 21st February 1900, from Thammiah, the Jangam of the Matt at Bellur, Nagamangala Taluk, appealing against the order passed by the Deputy Commissioner of the Mysore District, in the matter of the alienation of the Inam lands belonging to the Matt.

No. 483.	1-0-0
No. 430.	0-9-0

The marginally noted Inam lands granted for the support of the Jangam Matt at Bellur were mortgaged in 1879 by the petitioner father Kari Basaviah, who was then the Jangamaiyah of the matt to Timi-venkatachar and Gangamma for a sum of Rs 840.

2. In the year 1896, Venkatadasappa the Shanbhogue of the village petitioned the Inam Superintendent, complaining of the unauthorised alienation of the Devadaya

is therefore requested to report whether the petitioner Thammiah should not be altogether deprived of his right to the matt for his wrongful act of alienating the matt's Inam Lands, and another Jangamayah appointed in his place, such successor being placed in possession of the matt's Lands. Pending further orders on this point, the Inam Lands as being resumed from the alienees will be placed under the direct management of the Taluk Amildar as the local Muzrai Officer
